Touch screen capabilities make writing and erasing so quick and easy.</p>	<p>Writing</p>	<p>All Ages</p>

<i>APPLICATION</i>		<i>DESCRIPTION</i>	<i>FEATURES</i>	<i>SKILL</i>	<i>AGE LEVEL</i>
<b>COUNTRIES OF THE WORLD</b>		Learn about the countries of the world - capitals, populations, languages, GDPs, religions, flags & more. Test your knowledge of world geography with quiz mode.	Interactive map, quiz mode, learn the countries continent-by-continent. Find a country by search, index or map. Learn how to pronounce each countries' name (English only).	Social Studies	Guidance Suggested
<b>DABBLE-THE FAST THINKING WORD GAME</b>		Dabble HD is the kind of game that is as simple as it is challenging. It rewards players with quick wits, a large vocabulary, and perfect spelling. You have to be on your toes, since the goal of the game is to spell out five separate words with just 20 letters as quickly as possible. The trick is that the five words must be comprised of a two-letter, three-letter, four-letter, five-letter, and six-letter word. You don't have to complete all five words to score.. However, the more words you complete, and the quicker you do it, the higher your score.	Form 5 different words of varying lengths out of an array of 20 letters. Earn points based on how many you make in a set amount of time. Unblock badges based on your accomplishments	Vocabulary	All Ages
<b>ELECTRIC COMPANY PARTY GAME: LOST ON PUNKSTER PLANET</b>		From wacky challenges to counting races, this game will have your team laughing and learning as you add, draw, discuss, think, act, problem solve, and dance your way back to Earth. The app is based on the PBS KIDS series The Electric Company.	Geometry, addition and subtraction, data analysis and graphing, telling time, coin value and recognition	Math & Literacy	1 <sup>st</sup> -2 <sup>nd</sup> Grade
<b>EVERNOTE</b>		Evernote is an, easy-to-use, app that helps you remember everything across all of the devices you use. Stay organized, save your ideas and improve productivity. Evernote lets you take notes, capture photos, create to-do lists, record voice reminders--and makes these notes completely searchable, whether you are at home, at work, or on the go.	Sync notes across the computers and devices you use. Create	Organization	All ages
<b>IMDB</b>		IMDb Movies and TV from IMDb is the ultimate app source for your movie, TV, and Hollywood celebrity questions. IMDb includes over 2 million movie and TV titles and over 4 million actors, actresses, movie directors, and additional crew. View user and critic reviews for both movies and TV and get quotes from, and trivia about, your favorite stars.	Access the IMDb database of 2 million titles and 4 million cast and crew. Watch trailers and read user and critic reviews. Entertain friends with quotes, trivia, and "goofs" about movies and celebrities. Obtain movie show times and TV listings for your local time zone. See what movies, shows, and celebrities are currently getting the most acclaim	Resource	Guidance Suggested
<b>INTERACTIVE TELLING TIME FREE-LEARNING TO TELLTIME IS FUN</b>		Interactive Telling Time has 5 difficulty levels to help children master telling time progressively (statistics is provided to help keep track of your child's progress).	Learn to set the time via interactive clocks with movable hour/minute hands. Learn to read a clock to tell time. Learn conversion between analog & digital clocks. Learn how to use AM/PM & 24 hour clock notation. Quiz mode.	Time	3-12 years old
<b>JUMBLED SENTENCES FOR KIDS</b>		Arrange words in the correct order and complete the sentence. A fun and educational app for children in Kindergarten and above.	Helps build a strong vocabulary. App includes 150+ jumbled sentences. Simple to complex sentences (increasing order of complexity)	Vocabulary	All Ages

<i>APPLICATION</i>	<i>DESCRIPTION</i>	<i>FEATURES</i>	<i>SKILL</i>	<i>AGE LEVEL</i>
<b>KIDS ABC LETTERS</b> 	<p>Help your preschooler learn the ABCs with a fun set of games. Intended for younger children who need to learn or practice their ABCs. With this fun, education-in-disguise app, children will master the name and appearance of each letter.</p>	<p>Choose from four different sections, teaching different aspects of the alphabet.</p>	<p>Literacy</p>	<p>Pre K</p>
<b>KIDS ABC LETTERS LITE</b> 	<p>This free version is fully featured but stops at the letter H.</p>	<p>Play 4 fun letter games to master the name and appearance of each letter. Enjoy positive reinforcement and success</p>	<p>Literacy</p>	<p>Pre K</p>
<b>KIDS ABC PHONICS</b> 	<p>Kids ABC Phonics teaches letter sounds and the basics of blending via its four wonderfully child-friendly sections.</p>	<p>Four kid friendly activities. Hear the ABC letter sounds. Children can create their own ABC picture blocks while reinforcing their newly-formed phonics skills. Letter &amp; sound recognition. Blend phonics while putting word puzzles together.</p>	<p>Phonics</p>	<p>All Ages</p>
<b>KIDS ABC PHONICS LITE</b> 	<p>This free version only includes letters A to H with all the features as the full version.</p>	<p>Four kid friendly activities. Hear the ABC letter sounds. Children can create their own ABC picture blocks while reinforcing their newly-formed phonics skills. Letter &amp; sound recognition. Blend phonics while putting word puzzles together.</p>	<p>Phonics</p>	<p>All Ages</p>
<b>KIDS LEARN TO READ</b> 	<p>Kids Learn to Read is a delightful game that invites preschool-aged children to practice blending sounds together to read and spell such simple words as "dog," "sun," and "big."</p>	<p>Entertaining teaching tool. Helps children learn how to read by better understanding letter names and sounds. Choose from four different sections, teaching different aspects of the alphabet.</p>	<p>Phonics</p>	<p>All Ages</p>
<b>KIDS NUMBERS AND MATH</b> 	<p>Helps preschool and early elementary school children learn their numbers and master basic arithmetic skills. This package of brightly designed, pleasantly narrated number recognition and math games is made with little hands and budding mathematicians in mind.</p>	<p>Children will learn to name, count, compare, add, subtract and match numbers. Kids get to learn basic math skills in a way that's fun. Hear numbers spoken in one of eight languages.</p>	<p>Math</p>	<p>Pre K-3</p>

APPLICATION	DESCRIPTION	FEATURES	SKILL	AGE LEVEL
<p><b>LETTER PAPER DELUXE</b></p> 	<p>Letter Paper Deluxe gives you more options than just Letter Paper. This application gives beginning and struggling writers a chance to practice writing their letters and short words without wasting paper. It also provides a yellow highlighted space that will help beginning and struggling writers learn correct lowercase letter placement. For more writing space just rotate the NOOK. From the menu you can select "Preferences", which allows you to set letters to practice, tracing style and to show the yellow highlight. The "Learning to Print" , will give you suggestions on what order and how to teach the letter formations.</p>	<p>When selecting what letter to trace, you can select a single letter or multiple letters, so you can enter words or even your name. Option to show the yellow highlight. As the writer becomes better you can turn off the yellow highlight. You can select one of eight pencil colors. This gives the kids a choice of colors but not too many colors. This way they stay focused on writing. Helpful hints on learning what order and how to teach letter formations.</p>	<p>Writing</p>	<p>Pre K +</p>
<p><b>LISTS FOR WRITERS</b></p> 	<p>Lists for Writers is a great addition to any writer's toolbox. Helpful to both novice and expert writers alike, this app delivers list after list of prompts and ideas for your brainstorming sessions: names, character traits, plot lines, occupations, obsessions, action verbs, and much more!</p>	<p>Varied compilation of lists. Outstanding Brainstorming tool. Stimulates writer's imaginations. Appropriate for all ages and levels.</p>	<p>Writing</p>	<p>All Ages</p>
<p><b>MATH PACK FLASH CARDS</b></p> 	<p>Math Pack is for kids (adults too) to practice math flash cards in a challenging way to sharpen their brain. This pack contains virtual flash cards for Addition, Subtraction Multiplication, Division, Algebra, Fraction, Rounding, Roman numbers, Factors, Order of Operations, Percentage, Divisible rules, solving equations, Greatest common factor and Least common multiple(more things are on the way). Each Virtual Pack has four skill levels A, B, C and D.</p>	<p>Offers a fun way to learn math. Practice with flash cards on a wide variety of subjects. Earn points for accurate and speedy answers.</p>	<p>Math</p>	<p>All Ages</p>
<p><b>MATH WORKOUT</b></p> 	<p>Suitable for all ages, Math Workout Lite tests your ability to solve every day arithmetical problems in your head under pressure. Work your way through a variety of quick problem sets designed to hone your speed and accuracy, and then graduate to competitive online play. The clock is always running, and the game settings allow you to select from several difficulty levels. Daily practice will sharpen your skills and keep your mind active and healthy.</p>	<p>Challenge yourself with the Math Blaster and submit your score. Online world challenge mode lets you compete against others. Choose your own wallpaper and personalize the app.</p>	<p>Math</p>	<p>All Ages</p>
<p><b>MATH WORKOUT PRO</b></p> 	<p>Math Workout tests your ability to solve every day arithmetical problems in your head under pressure. Work your way through a variety of quick problem sets designed to hone your speed and accuracy, and then graduate to competitive online play. The clock is always running, and the game settings allow you to select from several difficulty levels. Daily practice promises to sharpen your skills and keep your mind active and healthy.</p>	<p>Learn to do complex, rapid calculations in your head. Build your kids' lifelong arithmetical skills. Keep your brain stimulated, active, and alert</p>	<p>Math</p>	<p>All Ages</p>

APPLICATION	DESCRIPTION	FEATURES	SKILL	AGE LEVEL
<b>MINI DRIVERS-LEARN TO COUNT AND RECOGNIZE NUMBERS</b> 	<p>When driving the vehicle the object of the game is to collect the items along the way. For example, when driving the garbage truck, you tap on the garbage cans to pick them up. This enables the counting feature. Your child can also collect other objects, such as balloons which release items and the word of that object is spoke to enable character recognition.</p>	<p>High quality scenery and music. Fun and engaging game mechanics. Learn to count, recognize colors and expand vocabulary.</p>	<p>Math</p>	<p>Ages 2-5</p>
<b>NAME THAT CATEGORY FUN DECK</b> 	<p>Students look at an illustration, and either reads the prompt or touches the screen to listen to the prompt. The student then gives a verbal response. After each answer, tap the green (correct) or red (incorrect) button to score the student's verbal response. Move to the next card by sliding the card currently on the display screen to the side, and the next image appears. Move to the next player by sliding the bar at the top of the screen.</p>	<p>Select all 56 cards or just the ones you want to see. Track correct and incorrect responses for an unlimited number of players.</p>	<p>Vocabulary</p>	<p>All Ages</p>
<b>NASA NOWT</b> 	<p>Want to keep up with the latest happenings in space? NASA Nowt provides the latest information and updates from NASA. The data included is: breaking news from NASA, the latest from the Ames Research and the Goddard Spaceflight centers, the image of the day, topical news updates, the latest information on named hurricanes, and news from their missions. Any of the content can be shared by email or on the popular social-networking sites. All images are courtesy of NASA.</p>	<p>Get the latest NASA news on your Android device. Find news, images, mission briefs, and more. Track the progress of named hurricanes.</p>	<p>Science</p>	<p>All Ages</p>
<b>OVER DRIVE MEDIA CONSOLE: LIBRARY EBOOKS &amp; AUDIOBOOKS</b> 	<p>Read eBooks and listen to audiobooks from your library using OverDrive Media Console. More than 27,000 libraries worldwide offer titles via OverDrive, so download the app and add your library today.</p>	<p>Simple menus put everything a swipe and a tap away. First-time user guidance. The app now provides some guidance to help new users get started.</p>	<p>Reading</p>	<p>All Ages</p>
<b>PETER PIGS MONEY COUNTER</b> 	<p>With the help of a friendly piggy bank, kids practice sorting and counting coins to earn virtual money--all the while learning fun facts about U.S. currency. They learn to recognize and sort coins based on value, adding up multiple coins, and more. Turn the audio on, and they'll hear the coins clinking as they move them, and a friendly child's voice reading the fun facts.</p>	<p>Teaches children about money with a fun game. Show how to recognize and sort coins. Discover interesting facts about U.S. currency.</p>	<p>Money</p>	<p>Ages 4-7</p>
<b>PRE-ALGEBRA GUIDE (HD)</b> 	<p>Problem solving, reasoning, decision making, and applying solid strategies etc. and Algebra.</p>	<p>Detailed instructions and illustrations. Dozens of clearly written hints and tips. Hundreds of walk-through guides and examples. Intuitive book-like interface. Attractive, inviting format.</p>	<p>Math</p>	<p>All Ages</p>

APPLICATION	DESCRIPTION	FEATURES	SKILL	AGE LEVEL
<p><b>PRESCHOOL ALL-IN-ONE</b></p> 	<p>This app focuses on 6 areas:          -ALPHABET          -NUMBERS          -SHAPES          -COLORS          -ANIMALS          -DAYS OF THE WEEK &amp; MONTHS          Click on any item on the screen to hear pronunciation or sound effects.</p>	<p>Fun learning for children. Fun graphics. Educational</p>	<p>Various</p>	<p>Pre K</p>
<p><b>READY TO PRINT</b></p> 	<p>Ready to Print was created by an Occupational Therapist with over twenty years of experience working with children. It is a comprehensive tool for parents, therapists and educators to help teach pre-writing skills to children in order to build a strong foundation for beginning printers.</p>	<p>Allows you to change size settings to match each child's skill level. Features a progression from larger hand movements to smaller, more refined movements. Lets you choose which activity and level to begin on. Allows setting up multiple user profiles, each with different settings. Provides optional feedback measurements for speed and accuracy. Records progress for multiple users.</p>	<p>Writing</p>	<p>All Ages</p>
<p><b>SPACE PHYSICS</b></p> 	<p>Space Physics offers players a simple goal of guiding a ball from one area of the screen to another--the means of doing so, however, remains entirely up to you. Watch in amazement as a few circles and lines turn into a moving car, or surprise yourself with new ways to solve old problems. With 80 different levels and a host of different ways to solve each puzzle, the only limit is your imagination!</p>	<p>Bring your drawings to life in this colorful puzzler. Find multiple solutions to the same puzzle--the only limit is your imagination. Play through 80 different levels that steadily increase in difficulty. Use a realistic physics engine to create rotating gears, levers, and even moving cars</p>	<p>Physics</p>	<p>All Ages</p>
<p><b>STARFALL ALL ABOUT ME</b></p> 	<p>Create and interact with his or her Me Character. Players learn essential vocabulary while making choices about everyday objects, body parts, pets, and household environments.
